## Part 1 - Ice Breaker

- Who is on your *Solomon on Sex Invest and Invite Card*? What steps have you taken to invite them?
- Have you given away any *Solomon on Sex Invitation Cards*? To whom? How did it go?
- Did you choose to use a yard sign?

## Part 2 - Sermon Review

1. What are your thoughts on studying this book as a church? What are reasons the church should study it? What are pitfalls in studying this book we should avoid?
2. What are your reservations about studying love, marriage and God honoring sexuality from Solomon, the guy who ended up with 700 wives and 300 girlfriends?
3. Play the “*Newlywed Game*.” Tell the ladies to leave the room. Have the guys write on a card answers to the following questions.
  1. Guys, what do you need to improve on to make yourself more attractive to your spouse?
  2. Guys, what would your wife say is an opportunity for improvement in your character?
  3. Guys, what clothing in your wardrobe does your wife find least attractive?
  4. Guys, what clothing in your wardrobes does she like most?
  5. Guys, what is your wife’s favorite way to be “drawn in” to your marriage relationship?

Bring the ladies back in the room and have them give answers to the same questions. Couples with matching answers get a point. See which one is the winner!

4. What is one thing the Holy Spirit is prompting you to do from this sermon?
5. Hold each other accountable to do the sermon homework!
